

# Corporate Didjing!

Toning Corporate Success!!

Conference Groups  
Work Teams  
Corporate Events

Take a unique opportunity to experience first-hand the magic of the world's oldest instrument.

Learn to play drones and tones, animal sounds & discover the truth behind circular-breathing.

Create a corporate "tune" that your conference

or work-team can adopt as their own, boosting corporate identity & ownership!

Scott is an accredited workplace trainer

& skilled team facilitator, with over

15 year's team-building experience

in both Australia & Europe.

He has played & taught the didgeridu

for over 6 years.
